			2. The 3 tunnels encountered by my element ranged from 5-10 feet in length and appeared to be strictly hiding positions. All 3 tunnels were old and we blew the entrance and exits of all 3.		
			3. The first bunker destroyed by my element was an "L" shaped with light overhead cover. There was room in it for two people. It was totally destroyed by a charge of C-4.		
			4. The second bunker encountered was considerably larger but was of the same basic nature. An "L"-shaped bunker with very much overhead cover. Four people could have used this bunker very easily. Neither of these bunkers had been used for some time.
